## **Telos Names BSE Inc. As Exclusive Dealer For Canada**

Telos Systems is pleased to announce the appointment of Broadcast Systems and Equipment, Inc. as the sole Canadian distributor for all Telos products. BSE Inc., with over 50 years experience selling broadcast equipment is one of Canada's leading suppliers of hardware and software for radio and television broadcast and related industries.

"BSE's has the strongest network of offices across Canada, with strong after-sales service and an extensive line of stock. Their extensive experience in ISDN, telephone technology, audio processing and studio installations make this partnership a good one for us," said Mayann Seidler, International Sales Director for Telos.

"Telos is an acknowledged leader in DSP-based technology for sending and receiving high-quality audio via dial-up telephone networks. We are pleased to be able to offer Canada's broadcasters their full line of telephone products plus their line of audio processors for AM, FM and TV," said Bob Berger, Technical Sales Manager for BSE.
