Soundware Named Swedish Representatives

CLEVELAND, OHIO, October 5, 2001 — Telos Systems and Omnia Audio welcome Soundware Sweden to their global network of digital broadcast product distributors. Stockholm's Soundware Sweden (part of the Danmon Group) is one of Northern Europe's foremost suppliers of total solutions and products within the audio, video and transmission market segment.

Soundware Sweden serves the professional audio industry in Sweden, Norway and Denmark. "We have a mission," says Karin Liiw, Marketing and Sales representative for Soundware Sweden. "We want to help make a noticeable improvement to our clients' daily operations. We accomplish this by providing the best products possible. Telos and Omnia fit this philosophy perfectly."

"Soundware Sweden, Soundware Norway and Soundware Denmark have a reputation for knowledgeable, committed service to their clients," says Maryann Seidler, International Sales Director for Telos Systems. "They are a perfect fit with the Telos way of doing business."

To contact Soundware Sweden, visit the dealer section of the Telos website at www.telos-systems.com/dealer/ or browse their website directly at www.soundwaresweden.com.

#

Telos Systems, with headquarters located in Cleveland, Ohio, and offices in Baltimore, Maryland; San Diego, California; and Freising, Germany is a leading manufacturer of ISDN, digital network and telephone interface products for talk-show programming, call-in radio segments, teleconferencing, audio production, remote broadcasts, and intercom applications.

Omnia, a Telos company, is world-renowned for its innovative digital audio signal processing expertise. Its family of digital audio processors for FM, AM, TV, DAB, Internet, and broadcast audio production are setting new standards for audio quality in the broadcast and Internet industries worldwide.

To find out more about Telos Systems, call +1 (216) 241-7225 or e-mail info@telos-systems.com.
